

EGYPT

Focusing on the most important discoveries from the world of the ancient Egyptians, this fascinating series journeys back in time to explore three legends: Howard Carter's discovery of Tutankhamun's treasure-laden tomb, the Great Belzoni's finds from the reign of Ramesses II and Jean-Francois Champollion's deciphering of the hieroglyphs. Discover the secrets, the myths and the truths behind one of the greatest civilisations in history – a world nearly lost beneath the sand.
